1. INTRODUCTION

Prime gate International trading Ltd was established in **2025** under the **Companies Act, Cap 2002 of the United Republic of Tanzania**. The company was founded with the primary objective of delivering **reliable, efficient, and professional clearing and forwarding services**, while also conducting **import and export business activities internationally**.

Since its inception, Prime gate International trading Ltd has grown into a trusted logistics partner, committed to simplifying cross-border trade and ensuring the smooth movement of goods for its clients. Through a strong focus on operational excellence, compliance, and customer satisfaction, the company has built a solid reputation in the logistics sector, supporting businesses in navigating complex international trade requirements with confidence.

2. Legal Status and Licensing

Prime gate International trading Ltd is a fully registered and compliant company, operating in accordance with all applicable laws and regulations of the United Republic of Tanzania.

The company holds the following key authorizations and licenses:

- Authorized Customs Agent, approved to provide professional customs services
- Licensed by the Commissioner for Customs and Excise Department
- Officially recognized by:
 - ❖ Tanzania Revenue Authority (TRA)
 - ❖ Tanzania Ports Authority (TPA)

These approvals enable Prime trading International Ltd to lawfully and professionally undertake customs clearing, freight forwarding, and trade facilitation services, while ensuring full compliance with national and international standards.

3. Core Business Activities

Prime gate International trading Ltd began operations as a **Customs Clearing Agent and Freight Forwarder**, offering comprehensive and integrated logistics solutions that include:

- Import customs clearance
- Export customs clearance
- Transit cargo handling
- Freight forwarding by sea, air, and road
- Domestic and international transportation
- Logistics coordination and cargo handling

Our services are designed to ensure cargo moves **efficiently, securely, and without unnecessary delays**. By leveraging expert knowledge of trade regulations, advanced tracking systems, and a reliable network of partners, we deliver seamless logistics solutions tailored to the specific needs of our clients.

4. Operational Coverage

Prime gate International trading Ltd provides customs clearance and logistics services across major **ports, airports, and border points**, including but not limited to:

Sea Ports

1. Dar es Salaam Port
2. Mtwara Port
3. Tanga Port
4. Bagamoyo Port
5. Mwambani Port
6. Other major Indian Ocean ports

Airports & Borders

1. Major international airports
2. Key land border points within the region

This extensive operational coverage enables us to serve clients throughout Tanzania and the wider regional and international trade corridors, facilitating efficient cargo movement across East Africa and beyond.

5. Services Offered

Prime gate International trading Ltd delivers end-to-end logistics solutions across the following service categories:

Clearing & Forwarding

- Import and export customs clearance
- Transit cargo processing
- HS classification and duty facilitation

Freight & Logistics

- Sea freight, air freight, and road transport
- Domestic and international cargo movement
- Project and oversized cargo handling

Transportation Services

- Inland transportation
- Cross-border transportation
- Cargo delivery to final destination

Our goal is to provide **trouble-free, compliant, and timely logistics services**, minimizing operational costs while maximizing reliability and efficiency for our clients.

6. Company Objectives

The key objectives of Prime Gate International Ltd are to:

- Deliver high-quality clearing and forwarding services
- Facilitate smooth and compliant international trade
- Minimize delays, penalties, and operational risks
- Provide reliable domestic and international transportation solutions
- Build long-term partnerships founded on trust, efficiency, and professionalism

These objectives guide our daily operations and long-term strategic growth, ensuring continuous improvement and responsiveness to evolving global trade demands.

7. Our Commitment

Prime gate International trading Ltd is firmly committed to:

- Professionalism and integrity in all business dealings
- Full compliance with customs and regulatory requirements
- Customer satisfaction through personalized and responsive service
- Continuous improvement in service delivery and operational performance

We strive to be a preferred logistics and trade facilitation partner, supporting businesses of all sizes in moving their goods across borders with confidence and peace of mind.

8. Conclusion

Prime gate International trading Ltd stands as a reliable and professional clearing, forwarding, and logistics company, fully licensed and authorized to operate across Tanzania and internationally. With strong regulatory recognition, experienced operations, and a client-focused approach, we continue to deliver efficient and dependable logistics solutions in today's dynamic global trade environment.

Partner with Prime International trading Ltd for seamless, secure, and successful trade facilitation.
